Guide for certifications exams

IT Specialist Javascript Certificate from Pearson Vue (Certiport)

05.09: Updated for Online and Offline exam delivery, digital badge

Welcome

Dear students in our course JavaScript and Front-End Frameworks,

- Each student from our “JavaScript and Front-End Frameworks” course has right to sit for **IT Specialist Javascript Certificate** international certification exam, if he/she complete the training by:
  1. Attend the training at least 70% of the total training hours
  2. Pass the post class assessment with more than 70% score
  3. Complete the project assignment
- All participants, that complete these steps will receive an exam voucher
- We will provide you a certification voucher
- You will register for an online exam
- You will sit for exam at chosen date and hour

Project assignment

This course includes project assignment as part of the training:

- Each student must complete a project assignment, individually or as part of a team.
- This project assignment will be part of his/her portfolio and will vary from course to course.
- At end of the course, student will present to trainer his/her project work as a prerequisite to receive exam voucher.

Exam logistics

- This exam can be run both **offline in traditional test center** and **online**
